**The New Forest Record Series**

publications of original documents has revealed much about the social structure of the local villages as well as about forest law.

**Georgina Bowden-Smith**

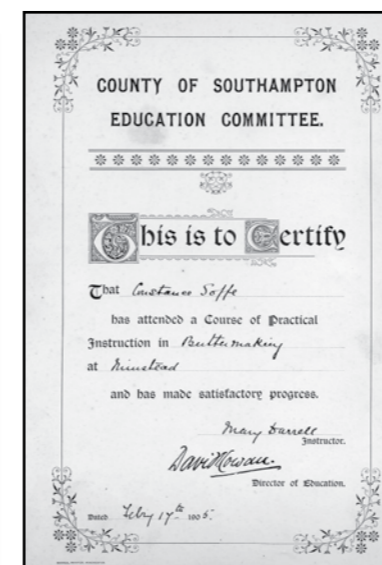

writing more than a hundred years ago has left an important record of life in the larger houses around Lyndhurst.

**Recently**

published work assists understanding of the community. It throws light on the economic aspects of several Forest villages with much detail of various occupations.

Occupations. See also Exchequer Officers, Forest Officers
